

# Emergency Alert System Skit

This Skit is meant for Cub Scouts.

Decide for yourself if it is appropriate for your younger scouts or not.

## Required:

6 to 10 scouts

## Notes:

Make sure you practice so the Beeeeps start and stop when they should and so that the punch line does not drag on too long.

## Script:

All scouts but one stand in line. Lead scout is in front or to one side.

**Leader:** For the next ten seconds we will conduct a test of the emergency broadcast system.

(line of scouts all make Beeeeeeeeeeep sound until the leader raises his hand.)

**Leader:** Thank you. This concludes the test of the emergency broadcast system. Had this been an actual emergency, you would have heard...

(line of scouts scream in panic and run around)
